# How does Florentinos do it?

It's simple – we love what we do, we're good at it, and we have fun doing it! In 1990, Dave and Lenny had a goal to create a family-owned catering business. Flash forward 30-plus years later, and the goal hasn't changed. We now have the resources of an industrial-sized caterer, but we pride ourselves on retaining our humble beginnings. Our customers – you – interact with Dave and Lenny directly; our employees have been with us since very near the beginning. Every person you work with at Flos, as we've taken to calling it, is there to make your event the best it can be.

Taste the Florentinos cuisine and you won't want to miss out on catering your next social, business, or other event with Flos. Whether it's a corporate luncheon, a backyard barbecue, or special occasion, we're committed to providing not only fresh, delicious fare with our 30 years of experience, but the most personalized catering service to be found in New Jersey.

Want more proof? It's in the pudding – our customer reviews. Check below for some of our Google reviews!
